1030 **CORRESPONDENCE**
There was no correspondence read.

1031 **UPDATE ON AUDIT RECOMMENDATION FACULTY FOR WORKS CARRIED OUT** After investigating further there is no requirement to apply for a faculty for works to be carried out so no further action is required.

1032 **BURIAL PLOTS ON NON-CONSECRATED GROUND – ST. EDWARD’S LAWN CEMETERY** There is space on the side of the cemetery that backs onto the main road so it was suggested that this be designated for all other/no religious beliefs being space for 12 plots on non-consecrated ground and as there is plenty of space there is no need to reserve the plots. All members agreed that this was the right thing to do.

None were reported.

1034 **TREE WORKS – ASYLUM BURIAL GROUND**
Councillor Jennings had reported that the wall alongside the Burial Ground was in danger of collapse since the storms as the trees on Wall Lane Terrace side are moving. The Clerk has reported the issue to Steve Massey at SMDC as well as required permission to tidy actual burial ground up as the trees are subject to TPO. Awaiting his response.
